

**WAB SWARM REMOVAL.** The following can be contacted directly to determine if they are available to remove qualified swarms. We only remove honeybee swarms and do not act on other types of pest removal. Swarm removal may require cutting out part of walls, ceilings or other parts of your home and storage areas. The below members may not be equipped to perform swarm removal cut outs.

Jeff Davis (508) 212-2145

Jean Grunwald (757) 846-4676

Josh Jones (757) 603-7233
